

THE GOOFY GAMES

PICKLEBALL WITH A TWIST

April Fool's Day 2023

Goofy Rules

1. Assists are allowed: if a player pops the ball in the wrong direction, the partner is allowed to hit it. A player may even assist themselves. Limit of two hits before the ball must cross the net.
2. A player who accidentally catches the ball in their non-paddle hand may toss it back over the net, provided it's done in one reasonably smooth motion. The ball is still live.
3. If the ball bounces off the wall, the bleachers, the ceiling, the basketball goal, a barrier, a spectator, or your partner, it is still live. Play on!

All other pickleball rules are in effect. Stay out of the kitchen. No spin serves. Call your own lines. 😊
